CONVAE nació junto al mar , con la vocación de crear ambientes que inspiran mucho más que una forma de entender el mundo. Un espíritu que ilumina cada detalle del día a día, para conectarlo con la parte más placentera de la vida.

Luz, color, música, diseño, libertad... una manera diferente de disfrutar de un espacio más mediterráneo .

CONVAE was born by the sea with the intention of creating environments that inspire much more than a way of understanding the world. A spirit that lights every detail day by day to connect you with the most enjoyable part of life.

Light, color, music, design, freedom... a different way to enjoy a more Mediterranean space.

5- RECOMENDACIONES DE MANTENIMIENTO Y SEGURIDAD

MAINTENANCE AND SECURITY RECOMMENDATIONS

Para proporcionar un uso duradero y seguro al producto, por favor siga las instrucciones:

- Tras una exposición continuada al sol, especialmente en los colores oscuros, se puede ocasionar una fuerte subida de temperatura del producto. Tenga la precaución de verificar la temperatura de los muebles antes de su uso en horas de sol extremo.
- Coloque la pieza en una superficie regular y sin pendiente para evitar desplazamientos incontrolados.
- Manténgala alejada de fuentes de calor excesivas.
- El producto no es un juguete. No permita que los niños jueguen con ellos, para evitar accidentes.
- En caso de sustituir la bombilla, asegúrese de que el cable no está conectado a la corriente eléctrica.
- Si el cable sufre algún deterioro, debe cambiarse exclusivamente por el fabricante o por un profesional.
- Si el LED dejara de funcionar, no manipular en ningún caso y contactar con el fabricante o distribuidor.
- Las luminarias para exterior deberán conectarse a una base de enchufe con el mismo grado de protección IP que la luminaria.
- No utilizar luminarias dañadas o rotas, deberán ser sustituidas.

To ensure safe and enduring performance of our products, please read the following information:

- Products can cause skin damage due to sun exposure (especially dark colors). Please make sure to check the temperature before using.
- Place the piece on flat surfaces to prevent unbalanced.
- Keep away from excessive heat sources
- This is a decoration, not a toy. Keep away from children.
- Always unplug before changing the light bulb.
- Damaged cable should be replaced by the supplier or a qualified professional only.
- If the LED lighting system does not work, contact the manufacturer for assistance.
- Connection plugs should have the same degree of protection than outdoor luminaires.
- Do not use in case of damaged luminaire.

MATERIAL PLÁSTICO
DE PRODUCTOS NEWGARDEN

Descripción del producto

La resina utilizada en la producción Newgarden es un polietileno lineal de media densidad desarrollado para el moldeo rotacional. Posee un buen balance de propiedades como su resistencia, fácil moldeo y rigidez. La resina está totalmente protegida contra los rayos ultravioletas.

Características destacadas

Excelentes propiedades químicas
Altas resistencias mecánicas
